

Dear Members,

Happy Summer! With thoughts on vacation, please note the low rate loan we are offering which is perfect for helping you plan that special adventure.

At our annual meeting this year, we announced that we were anticipating a rise in the federal rates, and that we would need to react accordingly. Last month, we did have to make a slight rate increase to some of our loan products. The good news is that we anticipate being able to raise the savings rates by .05% in the upcoming months.

Please visit www.skylinefinancialfcu.com/Loans/Rates for current rates on loans and savings accounts.

Stay cool! *Tara*
